As the Economy Improves, Stonefield Josephson Hires Additional Staff and Rehires Burton

Marcus

For immediate release

Los Angeles—November 18—Stonefield Josephson, a California-based certified public accounting firm, announced the return of Burton Marcus, PhD, A.S.A, to assist the firm in expanding their VLF and Business Advisory Group.

“In light of the economic changes we’ve experienced this year” said Stonefield Josephson President Jeff Garrison, “jobs are now on the rise again. We have many new clients searching for Business Valuation and VLF. We’re happy to have Burton return to function as a Business Valuation and VLF advisor to staff and clients alike.”

As an Accredited Senior Appraiser in Business Valuation, Marcus’ 25 plus years of experience will aid the firm in training both existing and new hires within Stonefield Josephson’s growing VLF and Business Valuation Department.

Marcus' Business Valuation expertise has provided many opportunities for him as a seminar leader, speaker and special witness within his area of specialization. He is also the author of several books and articles on the subject of Business Valuation and VLF.

Will Thomsen, Marcus' former Marcus and Thomsen partner, has also returned to Stonefield Josephson, providing added VLF and Business Valuation support for the firm and Marcus.

Stonefield Josephson (www.sjaccounting.com) is a leading California-based certified public accounting firm founded in 1975. The full-service firm serves public and privately held clients throughout the United States and internationally from their offices in Los Angeles, Orange County, San Francisco, East Bay, Silicon Valley and Hong Kong.
