Stonefield Josephson Wins Innovation Award

For immediate release

Santa Monica, Calif.—September 1, 2004—*Practical Accountant* magazine awarded Stonefield Josephson its fifth annual Innovation Award. *Practical Accountant* recognized 26 accounting firms who took the lead in developing new or improved services and promoted efficiency in the practice of public accounting. *Practical Accountant*, a Thomson Media publication, is a technical how-to magazine for growth-minded accounting firms. Howard Wolosky, *Practical Accountant's* executive editor said, "What all the winning firms seem to have in common is an ability to see and seize opportunities, to develop detailed plans, and execute superbly." The winners are featured in the September 2004 issue of *Practical Accountant* magazine.

Stonefield Josephson, Inc. (www.sjaccounting.com) is a California-based certified public accounting and business advisory firm founded in 1975. The 100-person firm serves public and privately held clients throughout the United States and internationally from four California locations: Santa Monica, Irvine, San Francisco and Walnut Creek. Services include assurance/accounting; business consulting (profit enhancement; finance sourcing; mergers and acquisitions; family-owned business; succession planning; executive incentive compensation; business plans and budgeting); business valuation; financial recovery; forensic services; litigation support; public companies services; and tax services.
