Stonefield Josephson names Theresa Matonak Information Technology Director

For immediate release

Los Angeles—July 29, 2005--Stonefield Josephson, a California-based certified public accounting firm, recently named Theresa Matonak as information technology director. Matonak plans to focus on information security, disaster recovery, electronic document management and data integration. Her background includes working as an IT consultant for Unity Electronic-UNIDATA in Agoura Hills, California. She also managed a team of professionals at Prudential Financial, providing technology support to over 700 clients in multiple locations throughout the Western United States. Matonak joins Stonefield Josephson with over 17 years of experience.

Stonefield Josephson, Inc. (www.sjaccounting.com) is a California-based certified public accounting and business advisory firm founded in 1975. The full-service firm serves public and privately held clients throughout the United States and internationally from four California locations: Santa Monica, Irvine, San Francisco and Walnut Creek.
